Dear Sir,

*Greetings from The Institution of Engineers (India)*

The Institution of Engineers (India) [IEI] is the largest multi-disciplinary professional body of engineers, established in 1920 and incorporated under the Royal Charter by King George V in 1935. IEI has national and international presence through 125 State and Local (City) Centres, six Overseas Chapters, six Fora and an Organ namely Engineering Staff College of India (ESCI), Hyderabad. The Institution has over 2.37 Lakh Corporate members and over 6 Lakh non-Corporate members. IEI has been recognized as Scientific and Industrial Research Organization (SIRO) by the Ministry of Science & Technology, Govt. of India and has represented India in several International Bodies. IEI has inked bilateral relationships with 33 international professional bodies. IEI has been empowered to establish and maintain the India Section of the International Professional Engineers (IntPE) Register.

In view of the recent NBA accreditation norms as well as proposed grading of Polytechnics, all Polytechnics/Engineering Schools are required to subscribe to the membership of professional bodies connected with technical education/ engineering and technology.

Getting Institutional membership of IEI will help all Polytechnics/ Engineering Schools to meet this requirement.

The Institutional Members of IEI receive publications covering the whole spectrum of engineering, free of cost including five E-access of Springer journals. Apart from publications, the Institutional Members can also avail library facilities to enrich their professional knowledge and participate in technical activities of the Institution.

The Institution of Engineers (India)

---2---

The Institutional Members get a concession of 50% in Registration for two representatives in international activities organized by IEI. Institutional Members (IM) may also avail a grant for R&D and seminar.

It is therefore requested that all Polytechnics and Engineering schools under your jurisdiction may consider to become an **Institutional Member (IM)** of the IEI for which a copy of application form is enclosed. Govt of Odisha has already issued a letter (Copy enclosed) to all Govt Polytechnics and Engineering schools in their state.

We look forward to your continued collaboration with IEI and will consider it a privilege to welcome all the polytechnics/engineering schools to be a part of our engineering fraternity.

With regards,

Yours sincerely,

institutions.

Re: Memo.

In view of the NBA accreditation as well as proposed grading of  
Polytechnics, all Engineering Schools and Polytechnics of the State are required  
to subscribe to the membership of professional bodies connected with technical  
education, engineering and technology like the Institution of Engineers, India &  
Society for Technical Education (SITE) etc. and avail their facilities for  
human development of the institutions. One time life memberships fee payable in  
this direction may be met out of the development fund of the institutions. You  
may also explore the possibility of establishing respective student chapters for  
the beneficial exposure of both students and faculty members. The institutions  
having annual intake strength less than 150 students may opt for membership of  
at least one professional body and all the institutions are requested to report

by this order by 31st January 2021.

Yours faithfully
