To,
The Director,
DTE,
Mumbai.

Kind Attention.

Subject: Appeal for notification of DIPEX-2019 Event 2-5 March 2019, Nanded to colleges across Maharashtra in order to encourage participation.

Dear Sir / Madam,

It gives us immense pleasure to introduce SRIJAN which is focused on facilitating and enhancing industry-academia interactions, Encouraging Innovation and developing Entrepreneurial passion amongst the Engineering students in the States of Maharashtra and Goa.

DIPEX is the most prestigious & most popular state level exhibition cum competition of projects for engineering diploma & degree students. The success of DIPEX has been in its reach amongst students & a strong connection between academic institutions & industry that DIPEX has fostered over years. During last 29 years, DIPEX has been a platform for over 4400+ projects and 45000+ students to showcase their talent and innovation in front of society. DIPEX-2019, the 28th Event in this series will be held in Nanded during 2-5 March 2019 at Shri. Guru Gobind Singhji Institute of Engineering & Technology (SGGSJET), Nanded.

DTE has always been supporting the event as DIPEX is providing next level opportunity to the engineering students.

This year we are expecting the same support and are very optimistic that a notification about DIPEX - 2019 to all engineering and diploma colleges across Maharashtra through DTE will generate a positive outlook and encourage participation of students with innovative ideas which will ultimately contribute immensely to the field of engineering. Also we request you to notify students through website of DTE online.

We sincerely request DTE to look forward to this kind request and co-operate with us for the same.

Awaiting your positive response. With warm regards,

Sarang Joshi
State President

For,

Swapnil Begde
State Secretary
