No. COEP/VLAB/JDRO_Amravati/2023-24/237   November 1, 2023

To,

Dr. V. R. Mankar,
Joint Director,
Technical Education,
Regional Office,
Amravati - 444603.

Dear Sir,

I am glad to share the information about the Virtual Labs project. (https://www.vlab.co.in/) Virtual Labs project is an initiative of the Ministry of Education, Government of India under the aegis of the National Mission on Education through Information and Communication Technology (NMEICT).

These labs are very useful for students to learn on their own. COEP Technological University, Pune, being the participating Institute, developed many experiments in various domains. These experiments will be useful for the Diploma students as well.

May I request you to propagate this national-level initiative to the Polytechnics in your region through your regional office.

The Expression of Interest for setting-up Nodal Center of Virtual Labs is attached for your kind perusal. The interested polytechnic colleges should send the duly filled form along with a Cover Letter to Prof. S. D. Agashe, Principal Investigator, COEP Technological University, Pune 411005 and send the scan copy of filled EOI to sda.instu@coeptech.ac.in and aah.vlab@coeptech.ac.in. You can contact Amod A. Harankhedkar (Mb. No. 9405021918) for more information.

Looking forward to receiving a positive response from you.

Thanks with regards.

Prof. S. D. Agashe
Principal Investigator,
Virtual Laboratory Project,
COEP Technological University, Pune.
