for expeditious issuance of leaving / transfer certificates / including

Dear Dr. Mahajan,

I take this opportunity to bring to you kind notice that submission of original leaving / transfer certificates / including duplicates is one of the conditions for seeking International Passports and from 2009 **Saudi Arabia Govt.** has made International Passport compulsory for Haj Pilgrims.

Most of the Haj Pilgrims have left their colleges some 10 - 25 years back and are now seeking their original leaving / transfer certificates / including duplicates from their respective colleges in the state for submissions to Regional Passport Offices in the state but most of these colleges in the state **delaying** the issuance of leaving / transfer certificates / including duplicates to Haj Pilgrims on one pretext or the other particularly in the old cases of **10 – 25 years**. As result of this inordinate delay, Haj Pilgrims do not get their passports on time & at times they have to cancel their Haj Pilgrim just because of non – availability of their leaving / transfer certificates / including duplicates on time by these colleges in the state.

In view of the above, I shall be grateful if you could kindly look into the matter personally and issue necessary directions to

**Jt. directors of technical education ( all )**

to further issuance of necessary directions to-

**The Principals of polytechnics / engineering / pharmacy colleges in the state**

in their respective division to ensure that Haj Pilgrims – 2013 ( which is approaching fast )  
**get their leaving / transfer certificates / including duplicates expeditiously and without any harassments or delay** and inform me action taken by you in this regard.
